

SPONSORSHIP OPPORTUNITIES

Background

The Royal Society of Biology [Careers Committee](#) is committed to promoting the breadth of careers that are open to life science graduates. The annual [Bioscience Careers Day](#) (BCD) includes talks and workshops from experts from across the sector. The three-day event provides biosciences students with top tips on the huge range of careers available to them, as well as the opportunity to learn more about essential skills, and ask questions to a variety of biology professionals.

The Bioscience Careers Day will provide you with a unique opportunity to:

- Connect with over 150 bioscience undergraduates from around the UK and international further and higher education institutes
- Reach undergraduates through online exposure
- Build brand recognition within the biosciences community
- Demonstrate your support for the next generation of UK scientists
