

New to Teaching Bioscience in Higher Education

21 February 2018, University of Reading

Programme

09:30 – 10:30	Registration & Refreshments	
10:30 – 10:45	Welcome and Introductory Remarks Dr Graham Wright, Edinburgh Napier University & Professor Julian Park, University of Reading	
10:45 – 11:00	Icebreaker activity Dr Alice Mauchline, University of Reading	
11:00 – 11:45	Dynamic and engaging teaching Dr Nick Freestone, Kingston University London	
11:45 – 12:45	Breakout session A: Efficiently managing large student groups	Breakout session B: Efficiency and effectiveness in your working
12:45 – 13:00	Reporting back from breakouts	
13:00 – 14:00	<i>Lunch break and poster session*</i>	
14:00 – 14:50	Five Teaching Thunderstorms**: <i>6 min talk/4 min questions, for example</i> <ul style="list-style-type: none"> • <i>e-learning innovations</i> • <i>making labs effective</i> • <i>practical provision for undergraduates</i> • <i>learning in the field</i> 	
15:00 – 15:45	Progression and promotion through pedagogical good practice Dr Anne Tierney, Edinburgh Napier University	
15:45 – 16:00	Closing Remarks and Discussion	
16:00	Close	

*Posters can be teaching or research related for networking purposes

If you are interested in doing a teaching related thunderstorm please send short abstract (100 words max) to Graham Wright at g.wright2@napier.ac.uk by **Friday 26th January. Abstracts for poster presentations are welcome on both bioscience research and pedagogy. For pedagogy abstracts please indicate if you would like the opportunity to present in the 'Thunderstorm' session if selected.
